

Welcome

More than a restaurant and a bar, it's a lounge, your lounge with some sumptuous accommodation thrown in just for fun!

Set on The Duke of Wellington's Estate, between the working arable fields of Hampshire & Berkshire, we aim to bring comfortable style, award winning classic and local foods with a twist and a sense of country chic that we couldn't be more proud of.

Upon entering, our relaxed style of service will be second to none with possibly a little cheeky giggle raised at the table to aid digestion!

Come and relax in front of our log burner, kick off your wellies or put down your briefcase, our fresh, locally sourced menu, ales and ambience will certainly do the rest.

With mouth-watering mains such as our 21 day aged 8oz Fillet of Beef, or our fresh Cod, Chips & Mushy Peas there is always plenty to choose from.

And after that, if you still have a little room for a 'treat' our homemade Sticky Toffee Pudding is to die for! We also offer a selection of cheeses from *The Wellington Farm Shop* perfect with Taylor's Fine 10 year Vintage Port at your request!

Whatever you decide to eat whilst you are with us, we are confident that your only regret will be that you hadn't discovered us sooner!

Whilst attempting to use as many fresh local ingredients as possible, we also care for our environment. Over 85% of our waste is recycled, we no longer serve plastic straws and we even encourage our team to car share or walk to us. Whilst we may not save the world we feel we can certainly do a little to help!

We hope you fall in love with The Iron Duke just as much as we have.
